

SOAR

March 8, 2016

The meeting was called to order at 1:30 pm with the Pledge of Allegiance.

Roll Call of Officers: Everyone was present with the exception of Wayne Komprood and Susan Walt.

The February meeting minutes were read and approved.

Old Business: Leo Patterson discussed the Life Ins policies last month. He has found out some more information. Leo advised that when you notify the Goodyear Information Center and VEBA they contact the life insurance companies involved. Depending on when you retired will determine where the policies are written.

Picnic for Retirees: May 15, 2016 from Noon to 4 pm. RSVP to Mary Meier by May 1, 2016. After a discussion on what we wanted served, it was decided that butterfly pork chops won. As in the past Willie & Debbie Kreeger & family will be cooking and serving the food. Willie has agreed to buy all the products that are needed and the Retirees will reimburse him. Also any items that you would like to donate to the Bingo games will be appreciated. Retirees attending with the last name A-M should bring a dessert, those from N-Z should bring a salad. It was also voted on to write a \$100 check to Willie Kreeger for all of his help in putting on the picnic. Joe Coates made the motion, Leo Patterson seconded it and the members approved the above motion.

Larry Dyson brought up about seeing a doctor. When calling Freedom Blue they told him he has to stay in Network. Jerry Redington advised that Stephenson & Winnebago counties do not have a network so we can see any doctor that we would like.

Jerry Redington advised that there will be a Trust Fund Meeting on March 14, in Baltimore Maryland. It is a short agenda and he will be taking part in the meeting by phone and computer.

We have three recent deaths to report: Richard Rouse, Frank Skutt, and Gene Stukenberg.

With no further business to discuss it was moved to adjourn the meeting, Leo Patterson moved and John Hendren 2nd the motion. Meeting was adjourned at 2:15 pm.

Respectfully submitted by  
Geri Hendren
