

Minutes of SOAR meeting held on June 10, 2014

Jerry Redington called the meeting to order with 28 members present. Roll call of officers was taken, Susan Walt, Secretary was absent.

Minutes of the previous meeting were read by Wayne Komprood, with no alterations or corrections they stood as read.

Geri Hendren reported that after paying our SOAR dues and paying the bills from the picnic we have a balance of \$4087.66.

Jerry Redington led a discussion on the picnic. We all felt that the Jane Addams Center was a great place for the event. We had lots of food and Wille Kreeger and Don Menefee did a great job with the pork chops. We had lots of door prizes and bingo prizes. Thanks to all who donated prizes. We still have some concerns about the Rubber Ball being delivered in a timely fashion. Mail delivery is not what it used to be.

Jerry Redington said we could expect changes in Silver Scripts at the end of this contract. Some of the problems with Freedom Blue are due to the way the medical bills are coded by the doctors.

Tina Allen returned some of the bingo prizes that she won and they will be used as door prizes at our next meeting. As luck would have it, Tina won the door prize at this meeting, wine glasses, a bottle of homemade wine, and a hot/cold bag. Congrats Tina. The door prize in Sept. and Dec. will be a Kelly Bank.

This month was the first month of our monthly drawing of \$50.00. Dwight Glass's name was pulled, he was not present so \$5.00 will be added and drawn again next month for \$55.00 to anyone present at the meeting.

John Hendren made a motion to adjourn, Larry Dyson seconded, motion passed.

Minutes submitted by Wayne Komprood

Lots of fellowship followed the meeting!
