

SOAR

Jan 10, 2017

Vice President Wayne Komprood called the meeting to order and the Pledge of Allegiance was recited. The Roll Call of Officers was taken with all present except President Jerry Redington, Trustee Leo Patterson and Gary Kraft.

The minutes to the December meeting were approved as read.

Treasurer Geri Hendren reported.

Wayne told us that if you don't have a computer and need to talk to the Pension company you need to call, they will mail you a temporary password and then you can call again and speak to them. If you have a computer and have lost your password you may be able to get one emailed to you.

As you receive your pension checks remember to look for your Medicare reimbursement. Every quarter you and your spouse if Medicare eligible should be reimbursed \$50/person/month.

You may need to remind your out of network vision provider that you receive Vision coverage. They need to file for it.

Wayne learned that the Salvation Army is a Toy Drive not Toys for Tots. Wayne has a photo of the truck bank that was given away a few years ago. He would like to donate this to be raffled off for the Salvation Toy Drive next Christmas. The raffle would take place this spring or summer. Geri will look into the paperwork to have a raffle.

The Retirees picnic will be held at the Union Hall this year, probably in May.

Wayne recommended looking on You Tube if you have anything that needs fixing. They have a lot of video step-by-step lessons on just about anything that needs fixing.

815 magazine that comes with your Journal Standard may be costing you \$5. Call the paper's office to tell them you don't want it and to take it off your bill.

Rich Hofmaster entertained us with some Union stories and how he really valued his membership in the union.

We adjourned at 2:30 p.m. Fellowship time followed the meeting.

Dues will be collected next month. The cost is \$12. Please try to bring correct change.

Respectfully submitted,  
Susan Walt  
Secretary
